Assumption of risk and waiver of claims

I understand and acknowledge that participation in a martial arts tournament involves an inherent risk of injury. Injury may result from falling, twisting limbs, contact between sparring opponents, and many other physical activities that are routine in martial arts events. I understand that despite reasonable safeguards, the risk of injury, possibly severe, cannot be eliminated. With this understanding, I assert that I have been properly trained in practicing safely; I assume all risk and accept full responsibility to the extent possible for any injuries. Further, I fully indemnify and waive all claims against any promoters, sponsors, personnel, competitors, and organizations associated with the tournament and the site where the tournament is being held, for any injuries experienced or caused, or otherwise.
